

## OFFICE SPACE TO SHARE IN EAST LONDON

Fevered Sleep is a small arts organisation and registered charity based in Bethnal Green in the London Borough of Tower Hamlets.

As our working weeks have changed, we are looking for other organisations to share our office space. We have one, possibly two rooms in our building that are available. This could be for specific days when our office is usually unused, or it could be sharing the space with us when we are around. You could be an arts organisation, or in another field entirely - but you do need to be a registered charity or a Community Interest Company (CIC).

If you are interested in our office space, or have further questions, please complete the [Expression of Interest](#) form and we will contact you to discuss your requirements.

## FEVERED SLEEP: THE COMPANY

We have six core team members and occasionally, three dogs using our office space. We also work with Associates who sometimes visit. Please see details of our team [here](#).

Fevered Sleep is based in London, and we tour nationally and internationally. We were established in 1996, and are still led by founders and Co-Artistic Directors Sam Butler and David Harradine. We are an Associate Artist of the Royal Central School of Speech and Drama, and an Arts Council England National Portfolio Organisation.

## WHERE WE ARE

We are based at [St Margaret's House](#) (SMH), an arts, wellbeing and community hub in Bethnal Green, east London. St Margaret's House offers office and events spaces, a programme of arts workshops, wellbeing sessions, live events, opportunities to be outdoors and more. The site features The Gallery Cafe, The Create Place, The Canvas, and Ayoka charity shop.

It is next to York Hall, the Young V&A and Museum Gardens, and a short walk from Victoria Park and the canal. See further details about SMH [here](#).
